

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

GERROD HERNDON,
Plaintiff,

v.

NAPA STATE HOSPITAL,
Defendant.

Case No. 15-cv-04948-HSG (PR)

**ORDER GRANTING PLAINTIFF
EXTENSION OF TIME TO COMPLETE
IFP APPLICATION**

On October 16, 2015, plaintiff, an inmate at the Sacramento County Jail, filed this *pro se* civil rights action under 42 U.S.C. § 1983 in the United States District Court for the Eastern District of California. The Eastern District thereafter transferred the action to this District. On October 28, 2015, the Clerk notified plaintiff that his application to proceed *in forma pauperis* (“IFP”) was not complete in that it did not include a certificate of funds completed and signed by a prison official or a trust account statement showing transactions and balances for the last six months. On November 9, 2015, plaintiff filed another IFP application, but it was still missing the required forms. Specifically, in the signature line of the certificate of funds is written “c/o” in what appears to be plaintiff’s handwriting. And instead of submitting a trust account statement, plaintiff filed a receipt for items he purchased at the Sacramento County Jail.

In the interest of justice, the Court will grant plaintiff an extension of time to file the missing certificate of funds and prison trust account statement, no later than **thirty (30)** days from the date this order is filed. In the alternative, plaintiff may pay the full \$400.00 filing fee.

IT IS SO ORDERED.
